HUMANE ANIMAL
PARTNERS
DELAWARE

DEAR FRIENDS,

Humane Animal Partners (HAP) is dedicated to improving the lives of animals through innovative programs, community outreach, and strategic partnerships. Today, we invite you to join our esteemed Portfolio of Partners, HAP's group of committed business supporters. With your support, we will continue to make a meaningful impact in the lives of animals in need.

When you become part of HAP's Portfolio of Partners, your company aligns itself with a respected organization committed to animal welfare. Your partnership with HAP will not only demonstrate your dedication to corporate social responsibility but provide tangible benefits, including brand exposure, networking opportunities, and the satisfaction of supporting a worthy cause.

As a member of HAP's Portfolio of Partners, you will join other reputable businesses that share our vision of creating a world where animals are treated with compassion and respect. Your support will enable us to expand our reach, enhance our programs, and ultimately make a difference in the lives of countless dogs and cats.

The generosity of individuals and businesses in our community is critical to our success. On behalf of HAP's staff, Board of Directors, and all the animals we serve, thank you for your consideration.

You help us save lives, and we couldn't do this important work without you!

Gratefully,

A handwritten signature in black ink that reads "Patrick J. Carroll".

Chief Executive Officer

HAPPY TO MEET YOU

HUMANE ANIMAL PARTNERS' mission is to connect people with animals, build strong relationships to better the community, and prevent cruelty to animals. These pillars are brought to life through programs that provide shelter and adoption for unwanted and homeless pets, reduce pet overpopulation through low-cost spay/neuter, and enable pet retention by providing low-cost veterinary services, free community pet food pantries, and more.

LOW-COST SPAY/NEUTER

HAP helps keep the population of cats and dogs more manageable to ensure fewer animals are left homeless.

LOW-COST WELLNESS

Our experienced veterinary professionals provide high quality, compassionate care by appointment at HAP's Wilmington and Stanton/Christiana locations.

VACCINE CLINICS

Pet vaccinations and microchipping are provided at all 3 locations: Wilmington, Stanton/Christiana, and Rehoboth Beach. Dog licensing is also available.

PET FOOD PANTRY

We assist struggling community members by providing free dog and cat food at all 3 locations: Wilmington, Stanton/Christiana, and Rehoboth Beach.

Last year marked 150 years of Humane Animal Partners' service to the Delaware community!

Our name changed in 2022 when Delaware SPCA and Delaware Humane Association (DHA) merged, but our founding dates to 1873. When your business becomes part of our Portfolio of Partners, you help pave the way for many more years of lifesaving work.
